EDUCATION

MAY 2019

BACHELOR OF SCIENCE IN MATHEMATICS, ARIZONA STATE UNIVERSITY

- **MINOR IN BIOLOGY**

WORK EXPERIENCE

NOVEMBER 2019 – PRESENT

COMMERCIAL UNDERWRITER, NATIONWIDE INSURANCE

As an underwriter I was tasked with analyzing commercial insurance accounts for eligibility with a evaluating profitability and potential for future loss. I frequently made decisions regarding pricing and rate for accounts based on performance and relative hazard, and communicated these details effectively to agents.

JUNE 2017 – FEBRUARY 2018

BARISTA, STARBUCKS

As a barista, I engaged with customers, prepared drinks and maintained the store in a high-paced environment that demanded teamwork and communication.

JUNE 2016- OCTOBER 2016

RESEARCH ASSISTANT, CADILLO LAB AT ARIZONA STATE

As a research assistant in the study of anaerobic bacteria, I prepared bacteria cultures, reviewed relevant literature and collaborated with graduate students to design and execute experiments.
